CRDDS

Norlin Library, E206
colorado.edu/crdds/

What we do

A hub for data literacy, CRDDS is a community of practice for open, accessible and reusable scholarship.

How we can help

- Education, training and consulting on data topics
- Active data storage and collaboration
- Research data management
- Digital Humanities tools and collaboration
- Data archiving and publication
- Open Science and reproducible workflows
- Data analytics and visualization
- Virtual Reality and Augmented Reality
- Scholarly publishing and Open Access

Who we are

A partnership between University Libraries and Research Computing, CRDDS includes faculty, staff, graduate students, and community members dedicated to promoting research data management, cyberinfrastructure, education and training, and digital scholarship.

Ongoing Spring/Fall semesters

Interdisciplinary Data Consult Hours
Tuesdays 12 to 2 p.m.
Drop-in for help with research data management, digital humanities, high performance computing, geospatial data topics and data visualization

LISA Statistics Walk-in Hours
Tuesdays and Thursdays, 12 to 2 p.m.
Consult on domain problems and get solutions to statistical issues

Earth Lab Walk-in Hours
Wednesdays, SEEC S370, 11 a.m. to 1 p.m.
Geospatial and scientific data support

Additional Trainings
R Workshop Series
Programming in Python
Digital Scholarship Open Houses
Many, many more!
Most events occur in Norlin E206 or on Zoom
